

SapphireCare
'Care as I would like it'

December 19th, 2016

To whom it may concern

Anthony Huynh was employed on a casual basis for a period of six weeks during November and December at Sapphire Care's head office in Hawthorn.

His primary responsibilities were to assist the marketing department. Anthony demonstrated his willingness to please and showed a friendly nature at all times while he was in the office. Anthony performed various edits on our existing WordPress Company website. He carried out these edits responsibly and in a timely manner. He was also involved in producing documents and editing PDF's within the Adobe Suite.

We wish Anthony all the best in his chosen career.

Kind regards,

Kaylene Lanyon,
